

## Quality Policy Statement

C C Contracting aims to provide a quality service in all aspects of the business and understands that client confidence is essential to the well being of the Company. It aims to achieve its targets on time, in conformance with the requirements of the contract, and to the complete satisfaction of the Client.

C C Contracting appreciates that training, competence, safety, and reliability are crucial for achieving quality standards. CCC is working towards meeting all relevant legislations, regulations and industry codes of practice on quality issues in compliance with the requirements of ISO9001:2008 and will continually improve the effectiveness of the Quality Management System.

This policy will be made available to employees, suppliers, subcontractors and other interested parties. It will be reviewed regularly, and objectives and targets based on review findings will be set in order to make improvements wherever necessary.
